

Ex Girlfriend Paranoia

1. Strophe

Every night I'm waking up
Tortured from visions in my dreams
I cannot sleep I'm really fucked
The hell I have to stand is too extreme

It's caused by a girl - Her name is PEEP
She's the first thing that I've seen - Everytime I felt asleep

Refrain

My Ex-Girlfriend Paranoia
She pursues me everywhere
My Ex-Girlfriend Paranoia
I really can't get rid of her

2. Strophe

When I'm walking down the street
Or hang out in a mall
I know exactly what I don't need
My ExGirl and a guy that tall

This situation really sucks can't get her of my mind
But I know there is a way out that I've only got to find.

Refrain

Now I don't know where to go anymore
Now I don't know where to hide from that whore.
