

## GTFOOME

### *Refrain*

Get the fuck out of my eyes  
you know you'll better flee from me  
Get the fuck out of my eyes  
there's nothing I can guarantee

### *1.Strophe*

You allways see me smiling  
when inside I cry  
You allways see me laughing  
when inside I die  
You alway see me nodding  
when I want to choke your word  
when I have to listen to you stories  
that I've too often heard

### *Bridge*

But sometimes there's someday  
there's something that you say  
that gets me the wrong way  
and therefor you should pay

### *Refrain*

Get the fuck out of my eyes  
you know you'll better flee from me  
Get the fuck out of my eyes  
there's nothing I can guarantee

### *2.Strophe*

I thought that I can stand a lot  
of anger and pain  
Not to take it down to my heart  
cause else would bring shame  
You hear me call you buddy  
although I think that you are shit  
and if you would get hit by a bUs  
I would not repent a bit

### *Bridge*

But sometimes there's someday  
there's something that you say  
that gets me the wrong way  
and therefor you should pay

### *Refrain*

Get the fuck out of my eyes  
you know you'll better flee from me  
Get the fuck out of my eyes  
there's nothing I can guarantee
